Volunteer Drivers - East Devon – TRIP

ABOUT THIS OPPORTUNITY

Have you got any spare time to help?

HOW CAN YOU HELP?

Why not join our happy band of volunteer drivers in Exeter and East Devon?

Volunteers play a vital part in helping TRIP carry out its role of providing transport solutions to people in need in East Devon, and West Dorset. Volunteers help provide transport for over 5000 people attending medical appointments per year in the Honiton, Seaton and Lyme Regis areas alone. Without the help given by these volunteers, a large number of unwell people wouldn't be able to attend their appointments.

WHY VOLUNTEER

- * To act as a volunteer driver, taking clients to appointments
- * Driving the mini bus on arranged days out and visiting places of interest.

Clean driving licence and a DBS check required.

AVAILABILITY

Flexible hours to be agreed - Mileage costs will be reimbursed.
