

Volunteer Role Description

Role Title:	Shop Fundraising Assistant
Department:	Retail, Income Generation
Reporting to:	Shop Manager
Location:	One of our shops across Wales and England

Why am I needed?

Community is at the heart of everything that we do at Tenovus Cancer Care to help those affected by cancer. Our aim is simple – to deliver a vision where fewer people get cancer and those that do will receive equal access to excellent treatment. However, we can't do this without your help. Our shops in our local communities are crucial to us raising vital funds. So, we'd like you to volunteer your time and commitment to help us make a difference. We need you to help make our shops a huge success on the high street and play an important role in fundraising for us.

What will I be doing?

- Helping the Shop Manager and the team to raise vital funds for our Research and Cancer Support Services
- Organising shop based fundraising events, activities and fun days
- Supporting and promoting other Tenovus Cancer Care events and activities.

What skills do I need?

- Friendly and outgoing personality
- Ability to work on your own initiative and as part of a team
- Ability to communicate effectively with other members of the team and customers
- Be creative and enjoy working on projects
- Strong organisational and problem solving skills
- Good networking skills
- Previous fundraising or sales skills would also be useful but not essential
- Excellent project management skills
- Resilient attitude

Many of the standard tasks within the shop involve standing or sitting for periods, handling bags and donations from the public and there may be stairs to climb depending on which shop you are based in. If you have any concerns about this, please speak with the Shop Manager when expressing your interest in volunteering.

How much time do I need to commit?

We'd need you to be able to give around 4 hours per week if you can with the possibility to do more if you'd like to. However, we appreciate any time you'd like to give; please let us know this on your application form. All we ask is that you let us know as soon as you can if you're not able to make it. This'll help us to plan our week.

What support will I be given?

- Before starting with Tenovus Cancer Care, we ask that you do try a small number of hours in the shop so we can both see how the role may suit you. The amount of hours can be decided between you and the Shop Manager.
- Following that the Shop Manager and team will be on hand to run you through the basics of helping in a shop in your first few days and they'll always be on hand after that.
- Becoming a volunteer with Tenovus Cancer Care can be a rewarding experience and is certainly invaluable to the charity and its goals.

What benefits can I expect?

- Reasonable expenses will be reimbursed in line with organisational policy
- The satisfaction of knowing you're making a vital difference to the work of Tenovus Cancer Care, and in particular the people who access our unique services
- The opportunity to be creative and bring new ideas to the shop whilst developing your fundraising and sales skills
- The opportunity to develop new and existing skills
- Access to all internal vacancies
- Access to training
- The enjoyment of meeting new people and being part of our Retail Team
- The chance to gain experience of helping Wales' leading cancer charity.

Where will I be based?

You'll be based within your local Tenovus Cancer Care shop.
