VOLUNTEER MINI BUS DRIVERS

At the community charity Sidmouth Voluntary Services (SVS) we are looking for volunteer minibus drivers to help us offer door-to-door transport for the elderly and disabled in Sidmouth to get to our lunch club and to the local supermarket.

All you need is D1 on your licence. Full training provided and volunteer first aid course offered. Come and be part of a great local team of volunteers.

Travelling expenses will be paid.

We desperately need some extra help to keep our services operating fully. Whether you can spare a little or a lot, we would love to hear from you.
