

Organisation

The Hub is our youth centre and community building in the middle of Lyme Regis. It is part of the Lyme Regis Development Trust

About This Opportunity

We are looking for a volunteer handyman/handywoman to help with small general maintenance jobs in The Hub.

Duties will include: changing lightbulbs, very basic plumbing tasks, and maybe some painting. This opportunity is varied, some experience would be an advantage but not essential. You will need to be over the age of 18.

Availability

We need an additional pair of hands when required, this volunteering post is for odd days so flexibility is required to fulfil this role.

How to apply

If this or any other volunteering opportunity is of interest to you please contact:

Carol Davies, Volunteer Coordinator, Lyme Regis Development Trust
