

Make a difference to the lives of young people with mental health issues

Organisation

The Project – Axminster

The Project is a local charity that offers help and support to young people aged 13 – 24 suffering from mental health issues.

About this Opportunity

The Project is looking for volunteers with an interest in gardening or horticultural skills. We have just taken on an allotment so we are looking for people who could help us set it up and run it to use with our young people. To fulfil this role you will need to have some horticultural experience and be over 18 years of age.

Availability

Either Wednesday evening in Chard, or Thursday evening in Axminster, from 5.30-9pm.

How to Apply
